

It is located in a protected area, therefore mooring is prohibited in the south area, where a large reef extends still intact.

The mooring area is arranged by the Mustique Company and requires payment.

On land, beside the famous **Basil's bar**, there are the typical fishermen's houses with lively colours.

At the centre of the village, there is the fish market. A funny taxi driver, Johnny P (channel 68 and telephone (784) 5306285) will certainly help you out for any request.

Each holiday on rented **sailing boat** in the **Caribbean** and **Grenadine** will pass by here sooner or later.
